

AGM

Our AGM will take place in the Village Hall on **MONDAY JULY 21st** starting at 7.30pm. The talk which follows will be an in-house affair featuring John Marsh, the Chairman, and his wife Ingrid, the Archivist. John has given talks before about Ipplepen's history but this time it will be a bit different because both John and Ingrid want to use local history images to share their fascination and enthusiasm for all things historical.

Professor Stephen Rippon

I have written before about the talk that Professor Rippon will be giving at the Village Hall on **WEDNESDAY JULY 16th** starting at 7.30pm. Professor Rippon's book on the important archaeological investigations which took place in Ipplepen between 2007 and 2019 is set to be published in June. He will be bringing copies of the book which will be available for sale at a discounted price (cash or cheque). This is scheduled to be his final lecture in the village on this subject.

Bryan Tuckett

We are sad to report that Bryan Tuckett passed away recently. He was a mainstay of our committee for many years and was a fount of knowledge about Ipplepen matters. He was supportive of all our activities and for many years would organise the refreshments and meet and greet people at our talks and coffee mornings. He had a twinkle in his eye and a cheeky grin, and he was never slow to remind us that we were moving off the point in our meetings.

He will be impossible to replace and coming not long after the passing of Ken Purchase, who was also a great supporter of the History group, it is sad to lose some of these Ipplepen 'characters'.
